

FLOWERS for Our GRANDMOTHERS

Letter Writing Campaign

The Flowers for Our Grandmothers exhibit, now on display, aims to represent and honor the lives, beauty, and wisdom of Black and African-American grandmothers in Newburgh.

Everyone 4-17 years old is invited to draw a picture, write a poem or use our template to help you form your thoughts on why your grandmothers/elders are important to you.

Please drop off your submission to the Newburgh Free Library anytime between Monday, January 6th to Monday, March 3rd with this postcard attached. Submissions will be on display at the scheduled Flowers for Our Grandmothers panel discussion on March 13, at 5:30 p.m.
