## Inclement Weather

Date Created: 5/28/ 2008

It is the policy of the Newburgh Free Library to close for inclement weather only under extreme conditions which would suspend most business activity. The Library may open for part of the day if conditions warrant.

Closing of schools in the Newburgh Enlarged City School District will not automatically result in the Library closing. If the Library closes or delays opening, both the website and phone message will be updated to reflect the change to the schedule.
